We have some Mangalitsa pigs for sale. They are about 100lbs each born in March of this year. There are 3 gilts and 2 barrows. Also we have a Mulefoot crossed with Magalitsa 3 boars that are about 150lbs each. Very friendly boars good as a feeder pig or for breeding. Well fed and taken care of animals. Grass fed and also soy-free organic grains. The Magalitsas are \$250 each. Mulefoot boars \$200 each. Can deliver to a reasonable distance.

We are located in Mauston.
